CONTEMPORARY

FIRST DATE February 2—24:

When tightly wound Aaron is set up with cool girl Casey, a quick drink turns into a hilarious dinner served with sides of Google background checks, fake emergency phone calls, a slew of bad boy and uptown girl exes, and some seriously saucy chemistry. Can this mismatched pair turn what could be a dining disaster into something special before the check arrives, or end up at another table for one?

CAMPY

XANADU September 28—October 20:

Based on the film of the same name, Xanadu centers on a Greek muse who is sent to Earth to inspire Californians during the 1980s. While on earth, she meets and falls in love with an artist and helps him realize his dreams. A silly and satisfying nod to the Reagan decade, featuring both classic 80s tunes, (Suddenly, Magic, Evil Woman...) and original songs written just for the show.

2018 SEASON

chaos backstage at a 1950s comedy TV show. A gaggle of eccentric gag writers try to support their star, a charismatic lunatic modeled on Sid Caesar, as the network slowly chips away at his comic vision.
